Unless otherwise noted, the list below provides a key for the objections lodged by

Eastern above:

CODE	OBJECTION
106	Incomplete; the introduction of any remaining portions ought, in fairness, to be considered contemporaneously (Fed. R. Evid. 106).
402	Relevance (Fed. R. Evid. 402).
403	Misleading; undue prejudice; confusion of issues; waste of time (Fed. R. Evid. 403).
602	Personal knowledge; lack of foundation (Fed. R. Evid. 602).
701	Lay opinion or legal conclusion; the exhibit contains an impermissible opinion by a lay witness that is not reasonably based on perception or helpful to a clear understanding of the witness' testimony or to the determination of a fact in dispute (Fed. R. Evid. 701).
801/802	Hearsay; the exhibit is a statement made by one other than the witness while testifying at trial, offered into evidence to prove the truth of the matter asserted, and not subject to any hearsay exception (Fed. R. Evid. 801 and 802)
901	Authentication; exhibit has not been properly authenticated (Fed. R. Evid. 901)
1001-1004	Best evidence; the exhibit is objectionable because it is vague and ambiguous as to whether the witness is summarizing his or her own independent understanding of the contents of the document (Fed. R. Evid. 1001-1004).
E	Exhibit is objectionable because it constitutes attempted expert testimony from a person who was not designated as an expert (Fed. R. Civ. P. 26)
Cond.	Conditional objection; Eastern reserves the right to object to this exhibit at trial depending on the purpose for which plaintiffs seek to introduce it.
Des.	Improper means by which to designate deposition testimony. Eastern also incorporates all of the objections that it

	lodged to Strategic's deposition designations for the applicable deposition transcript.
Parol	Exhibit is objectionable to the extent it seeks to modify, amend, or contradict terms set forth in the Research Agreement.
Identification	Strategic has not sufficiently identified the exhibit such that Eastern can object or consent to admission
